New Business

- There are no changes to the reopening plan at this time except below.
 - There is now a 7pm Newcomers AA meeting on Sunday.
- We have installed outdoor cameras at the front and back entrances for safety concerns.
- The 6 pm Sunday Al-Anon meeting has had attendance by AA members that have been sharing alcoholic topics and being disruptive. Per autonomy standards, they are able to ask non Al-Anon members to leave the meeting if needed.
- The club picnic site at Fish Lake has been booked for 2020.
- We are working with our squad leader council chair to set up our squad leaders meeting via Zoom. Stay tuned for further information.
- We have had several complaints about people pulling down their masks and not wearing them correctly during meetings. In order for us to continue having in person meetings here, we want to note the following:
 - Masks must be worn over your mouth and nose at all times, including during your shares.
 - Social distancing of six feet must be practiced at all times.
