

Squad Leader Meeting Minutes 12/8/2020

In-person attendance: Squad 3, Squad 6, Squad 8, Squad 12, Squad 13, Squad 42.

Zoom attendance: Squad 7, Squad 20.

- We continued discussion regarding squad attendance since our October reopening for each attending squad.
- Room rent: the attending squads discussed ideas regarding what they would want to pay.
 - We are asking in-person and hybrid squads to pay room rent if they can. We do not expect room rent from Zoom-only or suspended squads.
 - With reduced attendance, we understand that reductions may be needed for some squads. Please speak to Charlie or Jim if your squad cannot pay the normal room rent rate.
- Donations: While squads are autonomous, we strongly suggest focusing on paying room rent versus donating to outside organizations such as Intergroup if a choice was made. A suggestion was made for squad to consider asking Zoom members of hybrid meeting for suggested donations.
- Sponsor/sponsee meetings are now permitted if they take place within our open evening hours (6pm-9pm) and rooms are available to use.
- We will finalize a squad leader email list shortly so that we may send monthly reminders of the squad leaders meeting.
- A suggestion was made to consider Venmo or another electronic provider for the bookcase. We will discuss at the board meeting next week.
