

Board Meeting Minutes September 15, 2020

In attendance: Denise P, Pete R, Jeff P, Jim G, Courtney L, Charlie M.
Via Phone: Niles B-F

New Business

- Reopening Plan Update – We will be implementing a safe reopening plan for squads to return to the building beginning in October or November (date to be determined). We will be working with our squad leader council to reach out to squad leaders regarding attendance numbers. A squad leaders meeting will also be announced soon.
- Reiteration of Mask Standards – Masks must be worn on the mouth and nose at all times except when outside the building or in the smoke room. Please do not remove or move your mask while you are sharing in the meeting.
- HVAC Airconditioning COVID-19 – Maintenance has confirmed that our air conditioning works and that air is circulated properly.
- Pledges – While we begin welcoming more squads back into the building, please feel free to turn in your 2020 pledge cards or to become a new pledging member! You may speak with your squad's treasurer or to a board member for further information.
